

Library Services: How we can help

Curtin Library

Research Toolkit

In the Library's research Toolkit you can find all these things and more...

- GRASP
- Expert Searching
- Publishing
- Copyright
- Research Data Management
- Library Spaces
- Creating Connections
- Finding Help

researchtoolkit.library.curtin.edu.au

GRASP: Graduate Research Advanced Skills Program

Student scenario

- ☐ Working towards Milestone 1
- ☐ Struggling with academic writing
- ☐ Using data collection/analysis tools
- ☐ Need structure to get work done, or feel isolated
- ☐ Would like to attend a writing retreat

Support available

Writing your M1 research proposal workshops

Research writing and publishing workshops, and individual academic writing consultations

Data collection and analysis workshops

Shut Up & Work, and Find Your Tribe

Thesis Blasts and Thesis Bootcamps

For more information: bit.ly/curtin-GRASP

Expert Searching

Conduct a literature review, systematic review or scoping review

Book an individual [expert searching consultation](#)

Help with a search strategy, or locate discipline specific information or resources

Visit the [Searching and Literature review](#) guides in the Research Toolkit

Locate examples of past Theses

Visit our [Thesis Guide](#)

Obtain a resource not held by the Curtin Library

Place a document delivery request, or Submit a [recommendation to purchase](#)

For more information: bit.ly/researchtoolkit-searching

Publishing

You need to identify quality journals to publish in for maximum impact

You would like to publish open access and avoid Article Processing Charges (APCs)

You've been invited to publish in a journal, but are unsure if it is predatory

You need any other publishing help

Copyright

Student scenario

Copyright sounds scary and intimidating...

Book an appointment to chat with Lydia, or email library-copyright@curtin.edu.au

I don't have to deal with copyright, do I?

You do, especially if you're planning to use someone else's work. But it's not hard if you plan ahead.

What do I have to do to deposit my thesis into espace?

Go to the [espace guide](#) and find all the information you need

Where can I learn more about copyright?

Visit the [Copyright Toolkit](#) and the [Copyright Decision Tool](#).

For more information: bit.ly/curtincopyright-HDR

Research Data Management

You are working
towards
Milestone 1

[Data Management
Plan](#)

You have data

[Back it up!](#)
(or risk a redo)

You want to know
where to store
your data

[Research data
storage explorer](#)

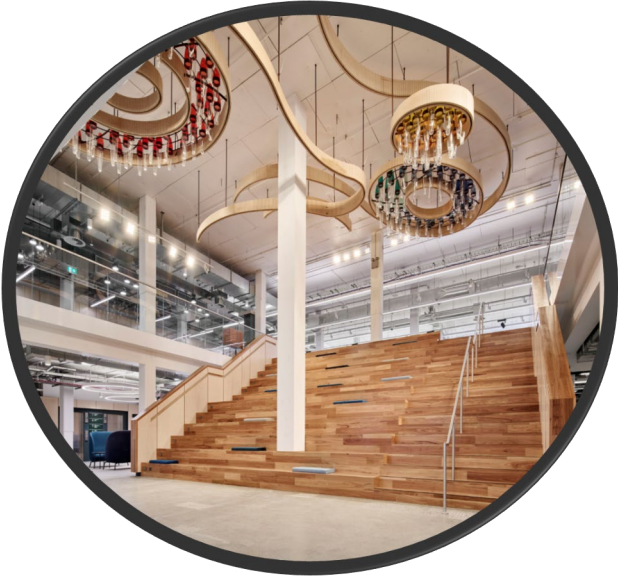

You want to make
your data open to
improve research
impact and meet
publication
requirements

[Curtin Research
Data Collection](#)
