Introduction

What is this course about?

Welcome to *Academic Integrity*. This programme is designed to help you understand what academic integrity is and why it is an integral part of any learning journey. It will also help you to recognise academic integrity challenges and how to identify changes you can make to improve your own approach to learning and academic integrity.

Use the navigation buttons at the top to return to the Content Modules page in Blackboard.

When you have completed all the content in the module including all references and resources, select 'Return to LMS' and select Exit All. This will take you back to the Blackboard content page where your next module will be available to you. Continue with this process to finish all four modules, then your quiz will be released to you. You must pass the quiz with 80% or higher to complete the AIP.
